

Sizing Guide

Necklaces & Pendants

Necklaces come in various chain lengths, and the way they sit on your neck is influenced by both the circumference of your neck and the size of the pendant. These factors also affect how the necklace complements other styles when layered.

Sizing Guide

Necklaces & Pendants

- 1 - Measure and cut a piece of string to match the length of the necklace you're considering.
- 2 - Place the string around your neck to see where it falls.
- 3 - Repeat this process with strings of different lengths to visualize how multiple necklaces will look when layered together.
