Rings

Method 1

1. Take a tape measure, length of string or strip of paper.
2. Wrap it around the finger where you plan to wear the ring, if you're creating a ring stack, consider where on your finger the ring will sit, and mark the place where it joins.
3. Lay the string or paper strip flat and use a ruler to measure the length up to the mark. Refer to the chart above to find your ring size based on this measurement.
